## FirstCaribbean International Bank Limited

### Delay In Receipt Of Dividend Cheques

FirstCaribbean International Bank Limited declared a quarterly dividend of one point two five United States cents (\$0.0125) per share and a special dividend of three point one seven United States cents (\$0.0317) per share on March 5, 2020. Both dividends were payable on April 17, 2020 to shareholders of record as at March 19, 2020.

Unfortunately, the delivery of dividend cheques to shareholders outside of Barbados will be delayed, as the Barbados Postal Service has had to temporarily suspend accepting mail for international destinations due to the reduction and cancellation of airline services resulting from the Covid 19 pandemic.
