International Bank

**FirstCaribbean International Bank (Bahamas) Limited**  
**Managing Director's Review**  
**Of the Results**  
**For the three months ended January 31, 2015**

For the three months ended January 31, 2015, the Bank recorded net income of \$13.5 million. This represents a solid improvement in our performance when compared with net income of \$8.1 million for the same period last year. These results were primarily driven by lower loan loss impairment and operating expenses, which more than offset lower revenues.

Total revenue was down \$5.3 million year over year primarily due to lower loan earnings and lower gains from investment security sales. Loan loss impairment expenses were also down significantly by \$9.7 million compared with the prior year and this represents the third consecutive quarter of reduced loan loss levels year over year. Operating expenses were down by \$1.1 million compared with the same period last year as we continue to benefit from expense control initiatives and savings from our ongoing restructuring program.

Consistent with the industry, revenue continues to be affected by the challenging economic environment across the region. To ensure that we deliver consistent, sustainable results, the Bank's focus remains on deepening our relationships with our clients.

Tier I and Total Capital ratios remained strong at 28.8% and 29.1%, respectively, which are well in excess of the minimum regulatory requirements.

I wish to thank the Board, management, staff and most importantly our clients for their loyalty and continuing support.

Marie Rodland-Allen

**Notes to the Condensed Consolidated Financial Statements**  
January 31, 2015

**1. Summary of significant accounting policies**

The accompanying unaudited condensed consolidated financial statements of FirstCaribbean International Bank (Bahamas) Limited (the Bank) should be read in conjunction with the International Financial Reporting Standards (IFRS) consolidated financial statements and notes thereto for the year ended October 31, 2014, included in the Bank's Annual Report 2014. For a description of the Bank's significant accounting policies, see Note 2 of the aforementioned consolidated financial statements.

**Basis of presentation**

Certain financial information, which is normally included in annual financial statements prepared in accordance with IFRS, but not required for interim reporting purposes, has been condensed or omitted. Reclassifications may be made to the prior period's financial statements to conform to the current period's presentation. These unaudited condensed consolidated financial statements reflect, in the opinion of management, all adjustments that are necessary for a fair presentation of the unaudited condensed consolidated financial statements for the interim periods presented.

The results of operations for interim periods are not necessarily indicative of results for the entire year.

In preparing these unaudited condensed consolidated financial statements, management is required to make estimates and assumptions which affect amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

The consolidated interim financial statements include the accounts of the following wholly owned subsidiaries:

- FirstCaribbean Insurance Agency (Bahamas) Limited
- FirstCaribbean International (Bahamas) Nominees Company Limited
- FirstCaribbean International Land Holdings (TCI) Limited
