- * 1. Cut-off times reflect the time by which payment instructions should be submitted to CIBC in order to facilitate the sending of the payment to our correspondent bank within the current business value-date.
2. These cut-off times apply on bank business days only and do not apply on weekends and bank holidays.
3. There is no guarantee that the payee/beneficiary's account will be credited on the same day. This is contingent on factors including the routing of the payment by our correspondent bank; the ultimate destination of the payment; and whether the payment is being made within the country of the payment currency.
